Windhoek, March 2023

Co-Operation with OSH-Med international

We would like to confirm the working relationship with OSH-Med international on the following points:

- Assessments and quality assurance on hygiene regulations by Ministry of Health and Social Services of all establishments during Covid 19 requirements.
- Medical support for guests and team members during the pandemic challenges
- Promotions on health-related support for guests during the pandemic challenges
- Collaboration under the umbrella of Ministry of Health and Social Services, to facilitate a walk-in and drive-through vaccination station from July 2021 to September 2022.
- Compliance Training for First Aid, SHE and Fire Training
- Memorandum of Understanding of health and care provision for guests and team members at accommodation establishments.

With kind regards

Silke Ahrens
Learning, Development and Culture Team
